4) *Janavani* has been at the forefront of exposing corrupt practices in the Union of Sarvia *inter alia* scams and incidents of financial misappropriation by All Sarvian Party. In October 2011, *Janavani* published details of coal block allocation and lease renewal by the All Sarvian Party Government in December 2010. The documents published by *Janavani prima facie* revealed that coal block allocation was allowed not as per the auction method but on the first come first serve basis. Further, it was also revealed that the minimum qualification for coal block allocation was relaxed for certain companies which were otherwise not eligible such as ANB Collieries Ltd, Natalie Collieries Ltd, Coal-Explo Sarvia Ltd.

5) ANB Collieries Ltd. was a publically held company listed with National Stock Exchange. ANB Industries Ltd. held a majority stake in ANB Collieries Ltd. Infact all the companies of ANB Group used to spend 70% of its total advertisement budget to ANB news Ltd. After publication of allegations regarding adoption of corrupt practices by ANB Collieries Ltd. In coal block allocation, a FIR was lodged against Managing Director of ANB Collieries Ltd. While the investigations were pending and high powered ministerial committee was yet to submit its report, a series of articles as well as news reports were broadcasted on *Janavani* and *Janavani News* respectively.

6) On January 13, 2012, a charge sheet was filed by police against Shri Madhukar Vats as well as all the other concerned senior management officials of various companies. On January 17, 2012, *Janavani* news broadcasted interview of Coal Secretary (Retd) as well as Comptroller and Auditor General of Sarvia (Retd.) wherein they indicated that the coal block allocation scam could have caused loss of about 18000 Crores to the State Exchequer. In the said Writ Petition (Civil) No. 2642 of 2012, Petitioner prayed for direction to ANB Industries Ltd, Mr. Madhukar Vats and Securities Exchange Board of Sarvia (SEBS) to ensure timely repayment to all the debenture holders. On March 11, 2012, Hon’ble Supreme Court issued notice to SEBS, Union of Sarvia as well as the other parties to file an affidavit regarding proposal to secure the interest of all the debenture holders. ANB Industries Ltd was directed to submit a ‘without prejudice’ proposal to SEBS within two weeks.

Next morning, *Janavani* published news item titled ‘Yet another attempt by

*ANB to defraud Sarvia*'. In the said news item all the details of security offered by ANB were revealed. Senior counsel for ANB Industries mentioned the matter before Hon'ble Supreme Court on March 18, 2012 objecting to the publication of 'without prejudice-confidential' proposal especially when the matter was sub-judice. Mr. Ram Prasad Kamal published a statement that it was necessary in public interest to inform thousands of debenture holders about the nature of proposal made by ANB Industries Ltd – and that publication of news article in no way interfered with administration of justice.

9) Mr. Madhukar Vats filed IA No. 3 of 2012 in WP No. 2642 of 2012 praying for formulation of guidelines for print and electronic media while reporting matters which are sub-judice. Thereafter, Mr. Kamal filed Writ Petition No. 3141 of 2012 praying for cancellation of license of ANB News for broadcast of the alleged clipping pending investigation in the matter regarding alleged scam in coal block allegation. It also prayed that the alleged Sting operation violated right to privacy.

11) All the above mentioned matters were put up before the Hon'ble Chief Justice of the Supreme Court of Sarvia. Hon'ble Chief Justice decided to hear all the matters (alongwith IA No. 3) together as it involved various significant questions of law and general public importance. The clubbed petition was titled as *Shri. Madhukar Vats v. Union of*

*Sarvia & Ors.* The Hon'ble Supreme Court was pleased to direct the parties to file submissions and argue on the following questions:

- Whether the Writ Petitions filed by Mr. Madhukar Vats are maintainable or not?
- Whether the license of *Janavani* and *Janavani News* is liable to be cancelled under the appropriate law?
- Whether the Hon'ble Supreme Court ought to formulate the necessary guidelines for reporting of cases pending before courts or regarding matters which are sub-judice?
- Whether the reverse sting operation carried out by ABN News violates right to privacy and amounts to interference with administration of justice?

Note: The laws of Sarvia are *in pari materia* with the laws of India, and though judgments of Indian courts do not have binding authority in the courts of Sarvia, they have persuasive value.
